

The 8th Annual Translational Bioinformatics Conference(TBC) /BIOINFO 2018

**Samjeong Hotel, Seoul, South Korea
OCT 31 - NOV 2, 2018**

The 8th Annual Translational Bioinformatics Conference(TBC)/BIOINFO 2018 will be held in Seoul, Korea from October 31 st to November 2nd, 2018. It is great pleasure to announce that we are consolidating BIOINFO, the official annual meeting of Korean Society for Bioinformatics(KSBI), to the conference this year. The aims of the conference are to present the latest progress in Artificial intelligence(AI), Precision Medicine, Big Data, Single-Cell Sequencing, New Sequencing Platform, Theoretical and Translational Bioinformatics/Computational Biology, and to foster communications among researchers to shape the future of the research field.

We look forward to your paper submission and conference participation.

Yours sincerely,

Keun Woo Lee, Ph.D.

Call for Paper

Papers in all areas related to studies that are ultimately devoted to the computational understanding of biological systems on a molecular basis will be considered.

TBC does not publish conference proceedings. Instead, all accepted papers by TBC 2018 will be published in a series of special issues of the follow journals:

- BMC Genomics
- BMC Medical Genomics
- Frontiers in Genetics

Papers must not have been previously published and must not be currently under consideration for publication elsewhere. All papers should be submitted electronically in PDF format. All papers should be submitted at <https://easychair.org/conferences/?conf=tbcbioinfo2018>. If you do not have an EasyChair account, please create an account here.

In general, you should use the template of the journal whose preferred themes are closest to that in your study. Select the journal you think your manuscript fits the best when you submit your manuscript through the submission system. Note that you need to pay publication fees in case your manuscript will be selected for publication. Please check the website of the relevant journal for more information. During the submission, please choose the option to state that you can pay the fee in these cases. Otherwise, your manuscript will not be selected for publication in these journals.

At least one of the authors of the accepted papers is required to make the presentation at the conference, and the speaker should register and pay for the registration fee.
